Ph.D. Degree
Child Language Specialization
Fall semester- Even year entry

YEAR 1
Fall
Experimental Research
Neurological & Cognitive Foundations
Topical Seminar in Child Language
Research Practicum

Spring
Advanced Seminar in Research
Statistics
Research Practicum
Cognate

YEAR 2
Fall
Research Design
Contemporary Issues & Policies
Topical Seminar in Language Disabilities
Social and Professional Ethics
Doctoral Qualifying Examination

Spring
Multicultural Issues
Cognate
Cognate OR
Topical Readings in Communication Disorders
Scientific Writing
Doctoral Comprehensives – Module 1

SUMMER YEAR 2
Doctoral Comprehensives Modules 2, 3, 4

YEAR 3
Fall
Dissertation Writing
Dissertation

Spring
Grant Writing
Dissertation

Ph.D. Degree
Adult Neurological Specialization
Fall semester- Even year entry
